THIS WEEK AT GOODNA

Dear parents & caregivers,

ANZAC Observance

I would like to sincerely thank all members of the school community who attended our annual ANZAC observance. I think you will agree it was one of the best ever held at the school. The children were beautifully behaved and respectful on this important and solemn occasion and we received lovely positive feedback from our invited guests about this and also about how beautifully the ceremony was conducted. My special thanks and congratulations go to everyone who contributed to this special event.

Full School Review

The School Improvement Unit completed our full school review last week giving us marvellous feedback on our achievements over the past four years. At the conclusion of the review they briefed the school leadership team and staff on their recommendations for our future areas of focus which will prove invaluable as we develop our next four-year strategic plan. I anticipate receiving the full report in a week or so and will brief the community on the key improvement strategies which have been recommended and this information will also be uploaded to our website for your perusal. Sincere thanks to parents and community members who took the time to speak with the reviewers.

School Uniform – Higher Expectations

With winter approaching it is timely for me to remind the school community that Goodna State School has high expectations with regard to the dress code and the standard of uniform approved by our P&C is clear.

It is pleasing to see that all children are wearing their uniform shirt however shorts or long pants should be **black** as should track tops or jumpers. *Brightly coloured hoodies and jumpers are discouraged* and if you have not got a uniform black jumper with the GSS logo we ask that something similar in black or a dark colour be worn. Sun safe hats are mandatory for outdoor play. Please ensure all items are clearly labelled with your child's name.

Yours in quality education,
Mr. Lee Gerchow
 Principal
