

# Goodna State School

## School review conducted 25 to 27 October 2021

Every Queensland state school is reviewed by the Department of Education at least once every four years. School reviews provide important feedback to support schools in continuing to deliver quality education and improve learning outcomes for students.

### Review highlights

- ✓ Enthusiastic and committed staff members.
- ✓ Innovative programs to engage all learners.
- ✓ Diversity and culture celebrated.
- ✓ Partnering with the community to enhance student learning and wellbeing.

### Consultation

**Total of 146 interviews**

**10 community members and stakeholders**

**68 school staff**

**44 students**

**24 parents and carers**

**Each school review generates a number of key improvement strategies to inform continuous improvement in all state schools. The next steps are...**

- ➔ Develop precise strategies and actions, including timelines for implementation and accountabilities for key staff to support the realisation of the school vision and associated strategic plan.
- ➔ Refine school processes to build teacher capability in focusing on formative assessment data to determine next steps for teaching.
- ➔ Formalise the collegial engagement framework and build the instructional capability of staff to lead the agreed coaching and mentoring processes.
- ➔ Develop systematic processes, including internal and external moderation with peers and knowledgeable others, to develop and quality assure school curriculum resources and teacher judgement, and include processes to ensure the intended curriculum is enacted within classrooms.
- ➔ Further develop and implement agreed signature pedagogies supported by professional development, to enable consistency and precision of practice.
