- ★ I am kind to my family and help where I can

Heroes @ Home

Dear Families,

We have put together this resource for your use at home if you wish, to be implemented as an 'at home' initiative. We encourage students to earn Hero @ Home Tokens and for families to discuss possible rewards. Feel free to use the template provided to monitor progress. We suggest a small negotiated 'at home' reward after five tokens. All other guidelines for the use of these resources are at your discretion. Please note that these tokens are not transferrable to the school Hero Tokens and are not eligible for the school-based reward system.

We would love to see photos of students earning Hero @ Home tokens and participating in the 'at home' rewards. Please send any photos to admin@goodnass@eq.edu.au .

Suggestions for 'at home' rewards:

- Small amounts of 'free time'
- Cooking or craft activities
- Games or sports (Indoor and outdoor)
- Choice of lunch or dinner
- Reading together
- Other negotiated use of student's 'favourite' activities

As another way to stay consistent and connected to our school procedures, please also feel free to use and implement our Hero Chart (shown on the right).
